

Get reading!

Reading for pleasure:

Your challenge is to read a book in an interesting place. Take a photo and bring it in.

E.g. You might like to read a book whilst sitting on your climbing frame or trampoline.

Record all your reading in your diary!

Writing Challenge:

Can you write me a mythical tale that includes magic and a mythical creature, with as many of these year 3/4 spellings in as possible?

Spellings: regular, reign, remember, sentence, separate, special, straight, strange, strength, suppose, surprise, therefore, though, thought, through, various, weight, woman/women

Get writing!

Get calculating!

Last half term we looked at: Equivalent fractions to decimals: (tenths and hundredths)

Play this game using the link below, then create your own board game that will help another child to learn decimal and fraction equivalents.

[Match Fractions Decimals and Percentages - Mathsframe](#)

Don't forget TTRS!

Year 4

Making Memories  
Growing Together  
Loving Learning

Summer 2

Create a piece of artwork that reflects the outdoor local area. This could be done using media such as paint, pencil, fabric, even playdough perhaps. Try to include at least two different media.

E.g. the front of the school, your back garden, the church, a local beauty spot.

Get creative!

Get mindful!

Our topic this term is "Engage". We'd like you to set yourself some goals that you can work towards.

E.g. learning a song, doing a handstand, kicking a ball into a net. Something you haven't learnt yet.

Present this on a poster so we can celebrate with you..

One of our texts this term is "Where my wellies take me." By Michael and Clare Morpurgo.

We'd like you to go on a 'welly walk'. Get outside, with your wellies, and notice the sounds, smells and sights around you. Take pictures to share if you would like to.

Get outdoors!
